SLC Recap

BY: ARYAN GARG

This year's State Leadership Conference (SLC) was an unforgettable weekend of creativity, passion, and connection. Held on March 23rd-24th, we welcomed our members to the largest state conference in NJ HOSA history! From start to finish, the conference never failed to bring the hype. As secondary and postsecondary/collegiate students competed in 37 competitive events, our members came out of SLC with medals, lessons, and bonds.

When not competing, members were able to visit the various vendors throughout the conference site, including NAMI NJ, RWJ Blood Services, NMDP, NJSRC, and Right Response, while collecting memorable goodies from each table! Members were also able to network with the State Officer Candidates at their campaign tables after having heard their speeches during the Opening Session. Furthermore, we all Dared to Create friendship bracelets throughout the conference while learning about NJ HOSA's opportunities! Our friendship bracelet-making stand received exciting support, as we all gathered around to create tokens of bond for family, advisors, and fellow members.

To add to the fun, current International Executive Council members & former NJ HOSA State Officers, Deepa Subramanya and Ahdaf Zaman, came back to NJ to host a workshop and help throughout the day. We even had the opportunity to hear from Mr. Allyn Brooks-LaSure, the Vice President of Communications at the RWJ Foundation, who was an NJ HOSA alumnus himself! On top of all this, with our very first NJ HOSA Talent Show, members were able to show off their singing and dancing skills on the big stage.

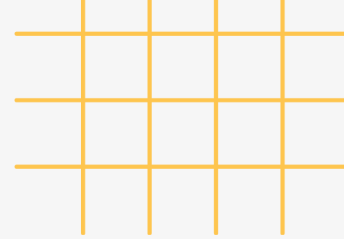

All in all, each and every member discovered their "why" at the conference. As we waved goodbye to our previous NJ HOSA State Officers and our beloved State Officer Coach, we welcomed our newly elected 2024-2025 State Officers. From the bottom of our heart, we thank all of those who worked to make this conference possible, and of course, the voting delegates who confidently elected our new line of officers.

Let's keep the hype going in the years to come!

ILC Recap

BY: ALI ILOGLU

From the roaring music that you could feel vibrating through your bones to the infectious passion for healthcare that encompassed the 12,000+ attendees at the 2024 HOSA-FHP International Leadership Conference, there is no denying that NJ HOSA had a blast at this year's ILC.

NJ HOSA's trip to Houston, TX was an incredible experience filled with exciting memories that were made and all-around achievement for the mighty state of New Jersey! Some highlights include our members connecting with HOSA friends from around the world, participating in pin-trading with other chartered associations, and dancing on stage with the keynote speaker, Dr. Rayne Rouse, at Opening Session!

NJ HOSA was also proudly represented on the 2023-2024 International Executive Council by Deepa Subramanya, the Secondary Board Representative, and Ahdaf Zaman, the Eastern Region Vice President, as they hosted the conference on the international stage, led workshops, and managed the election of the next year's IEC. Having served as NJ HOSA state officers last year, these two also had the honor of awarding the HOSA Hall of Fame to Shawnee Chaudhury during the Opening Session. Shawnee received this recognition for her longstanding passion and incredible work as the beloved NJ HOSA state officer coach and special projects/marketing consultant, and her service to NJ HOSA and HOSA-FHP will never be forgotten.

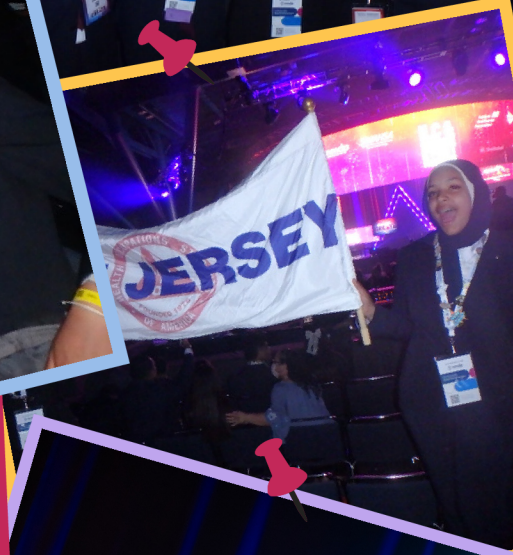

As we entered the Recognition and Grand Awards sessions, NJ HOSA members excelled in several service events and competitive events, showcasing the hard work and dedication that they had put in throughout the year. We are especially proud to celebrate our Member-At-Large, Bhavesh Manne, who was elected as the Eastern Region Vice President to serve on the 2024-25 International Executive Council, reflecting his servant leadership and commitment to HOSA's mission. We are so excited to see him lead HOSA in the coming year, and cannot wait to cheer him on during his term!

Overall, the conference was a whirlwind of inspiration and triumph, and our members returned home eager to continue their journey in leadership, service, and healthcare. Here's to another successful year for NJ HOSA!

Farewells

With our past State Executive Council's term having come to an end at the conclusion of the 2024 International Leadership Conference, we'd like to take a moment to thank you all for the opportunity to serve you this past year. From engaging with you through humorous leadership workshops to bubbly conversations with many of you in the hallways to even dancing together on the stage, the memories we've made with you through this year's conferences and beyond are forever. It has been an incredible journey filled with growth, learning, and unforgettable experiences and we would relive every second if we could. As we pass the torch to the 2024-2025 team, we are confident that they will continue to lead NJ HOSA to new heights. Though we are saddened to see this chapter close, we are equally enthused to cheer NJ HOSA from afar into the new year as we all part our own ways. Thank you for making this year truly remarkable and we hope to see many of you continue to stay involved with NJ HOSA through the years!
